TO CREATIVELY PROMOTE TOB VISION AND CULTURE THROUGHOUT YOUR ORGANIZATION

We are able to promote the culture of Theology of the Body through our preaching, at every opportunity.

We do include offerings of TOB or related materials in any communications with our parishioners.

We had a series, this year, on Right to Life that included speakers in all arenas of protecting the dignity of life: in the womb, in prisons, to burials of the unborn, to anti-pornography speakers.

Please cite examples of INCREASES IN THE FRUITS OF THE HOLY SPIRIT (CCC 1832: Charity, Joy, Peace, Patience, Kindness, Goodness, Generosity, Gentleness, Faithfulness, Modesty, Self-Control, Chastity) THAT HAVE BEEN WITNESSED WITHIN YOUR TOB CAMPUS (involving Staff, Teachers, Students, or Parents) THAT BEAR TESTIMONY TO YOUR EFFORTS.

We have many parishioners who have independently asked to put up "Choose Life" signs at their own expense. The message is well understood by them and they are getting it to the outside community. Even after vandalism, these people are undeterred and replace the signage. Our St. Vincent de Paul Society is very active and are the attributes of the fruits of the Holy Spirit in living color for our community!

We communicate mid week with our parishioners and include "9 months in the womb".

All meetings and events incorporate prayer with these qualities included.

The fruits of the Holy Spirit are part of our culture at the Cathedral.

"I chose you from the world, to go and bear fruit that will last, says the Lord."
